Legal Notice Public Meeting

The Charter Review Commission of the Village of Canal Winchester is requesting public input on the review of the Village charter. The Charter was adopted in 1995 by the Citizens of Canal Winchester and gives the citizens the benefits of municipal home rule, the ability to exercise all of the powers of local self-government conferred under the Constitution and Statutes of the State of Ohio and allows the citizens to preserve the traditional and historic values of our Community. Periodically, the Council and Mayor convene a group of citizens known as the Charter Review Commission to review the charter and recommend updates for consideration by Council and the Village electorate.

Do you believe the Charter needs changes or updates? What changes would you like to see? A copy of the charter is available on the Village's website at www.canalwinchesterohio.gov or may be picked up at the Municipal Building, 36 South High Street, Canal Winchester, Ohio 43110

The Charter Review Commission will hold a public meeting on Thursday, April 8, 2010 at 6:30 PM at Town Hall, 10 North High Street, Canal Winchester to hear suggestions from the Village residents on updates or changes. If you are unable to attend, you may e-mail your suggestions to the Committee by sending them to Nanisa Osborn at nosborn@canalwinchesterohio.gov.

The Village of Canal Winchester Charter Review Commission looks forward to your participation.
